MISDEMEANOR AND PETTY OFFENSES**

(a) For misdemeanor and petty offenses listed below, whether originating under the applicable Federal Statute or regulation or applicable State Statute by virtue of the Assimilated Crimes Act (18 U.S.C. § 13), occurring within the territorial jurisdiction of the United States magistrate, it is hereby ordered that collateral may be posted in lieu of the appearance of the offender, unless otherwise specified in this rule.

(b) Upon the failure of the person charged with an offense or offenses to appear before the United States magistrate for trial of the offense or offenses listed below, except those offenses denominated "mandatory appearance," and not aggravated, as provided below, the collateral in the amount listed opposite the offense shall be forfeited to the United States. The posting of said collateral shall signify that the offender neither contests the charge nor requests a hearing before the United States magistrate, and said collateral shall be administratively forfeited.

(c) When an asterisk (*) is inserted next to the listed violation, no forfeiture will be permitted nor will a forfeiture be permitted on violations contributing to an accident with personal injury or property damage in excess of \$300.00.

(d) Where the collateral forfeiture schedule lists a minimum and maximum amount, the issuing officer shall list the amount to be forfeited as the minimum amount unless the officer determines that the circumstances are aggravated, in which event the amount to be forfeited shall be the maximum amount listed, or any lesser amount above the minimum as fixed by the issuing officer.

(e) Notwithstanding the collateral schedule attached hereto, the issuing officer shall be authorized to determine whether the circumstances of the offense are so aggravated that a mandatory appearance should be required, in which case the issuing officer shall be authorized to fix the offense as a mandatory appearance offense.

(f) Whenever a check is returned to the clerk as uncollectable for any reason within the control of the payer, the offense for which the collateral was posted shall become a mandatory appearance offense, and shall be referred immediately to the appropriate magistrate for a mandatory hearing.

(g) When the offender fails to pay the specified collateral and fails to answer a summons to appear, the magistrate may consider and treat the offense as a mandatory appearance offense, and thereafter refuse any tender of the collateral payment and set the case for hearing, or in his discretion increase the collateral.

(h) There shall be maintained in the office of the clerk and with each United States magistrate a current list of the misdemeanor and petty offenses and fines applicable thereto for which forfeiture of collateral security may be accepted.
